

**F.No: 22003/01/2017-NSDA**

**Dated: 23.10.2019**

**Subject: NSQF alignment of Up-skilling & Bridge Courses**

Sir/ Madam,

It has been observed that at times qualification files received at NSDA pertain to upskilling and/ or bridge course. Such Qualification files may need a different treatment in terms of NSQF alignment. To facilitate the submitting bodies in assessing such qualifications and the manner in which these qualifications need to be submitted to NSDA, guidelines on "NSQF alignment of Up-Skilling & Bridge Course" have been formulated. A copy of the same is enclosed for information and necessary action.

These guidelines will provide a holistic approach in determining the need for NSQF alignment of qualifications related to upskilling and bridge course and facilitate the understanding of the need and process of NSQF alignment of such qualifications, at NSDA.

This issues with the approval of competent authority. For any further clarity, you may contact the undersigned

Sandhya Salwan  
Director- NSDA  
sandhya.salwan@gmail.com
